NOTICE TO THE MARKET

Fortaleza (CE), September 5, 2018 - **HAPVIDA PARTICIPAÇÕES E INVESTIMENTOS S.A.** (B3: HAPV3 - Company) announces to its shareholders and to the market that, in line with the expansion strategy discussed since its IPO, signed on this date the Protocol of Understanding for Voluntary Transfer of the Client Portfolio, still subject to the approval of the National Supplementary Health Agency (ANS), through which it will hold the entire portfolio of Assistência Médico Hospitalar Ltda. also from the complementary health branch in Teresina, Piauí State (Carteira and Uniplam, respectively).

The Portfolio has approximately 25,000 beneficiaries, mostly located in Teresina, which will strengthen the Company's presence in the region, whose the operation to provide medical and hospital services was extended in January 2018 with the inauguration of the Rio Poty Hospital in the same municipality.

According to the financial statements of December 31, 2017, Uniplam's net revenues was R \$ 30.2 million, with medical loss ratio of 60.3%. The Client Portfolio was acquired for R \$ 30 million.

The Company reiterates its commitment to the organic and inorganic expansion of the number of beneficiaries, both in the localities where it already operates and in new markets, which involves expanding the structure of its own service network in order to maintain current quality standards.
